Aurora Coffee - Brand Guidelines

FICTIONAL DEMO DOCUMENT. Aurora Coffee is not a real company.

1. Voice and tone

Our voice is warm, playful and conversational.

All product copy must remain strictly formal.

Avoid unsupported superlatives such as best or ultimate.

Never use the phrase "world’s best coffee".

Use "single-origin" instead of "premium beans".

2. Claims

Health claims about caffeine require approved supporting evidence.

Numerical claims must match the approved fact sheet.

Statistics older than 12 months must not be used in promotions.

3. Accessibility

All videos must include captions.
Images must have descriptive alt text.
Text colour contrast must meet WCAG AA.

4. Visual identity

Use the approved logo without stretching or recolouring.
Primary colours are Roast Brown #4A2C2A and Cream #F5EBDD.
Accent colour is Ember Orange #D9622B.

Aurora was founded in a small roastery. This history is background only.
